

40206-VW601 Steel Brake Disc Chassis Parts for Automobile Spare Parts For NISSAN

Our Product Introduction

For more products please visit us on automobile-sparepart.com

Basic Information

- Place of Origin: CHINA
- Brand Name: NABO
- Certification: TS16949
- Model Number: 40206-VW601
- Packaging Details: poly bag or air bubble bag, any boxes with customers' label, Corrugated box , Standard tray
- Delivery Time: 3-35 days
- Payment Terms: D/P, L/C, T/T

Product Specification

- Type: Brake Disc Chassis Parts
- Material: Steel
- Name: Automobile Spare Parts
- Warranty: 12 Months
- Size: Standard
- Country Of Origin: China

Product Description

Product Description:

Presenting our top-of-the-line brake disc, crafted to deliver dependable and exceptional braking capabilities for your automobile. Our brake disc serves as an essential element in the braking mechanism, skillfully constructed with accuracy and resilience to ensure secure and efficient stopping power.

Our brake disc is engineered to withstand the most demanding and rigorous conditions, ensuring maximum durability and longevity. It is crafted from high-quality materials that deliver superior performance and longevity than standard braking systems, making it an excellent choice for any discerning driver.

Our brake disc is designed to provide efficient heat dissipation, preventing the build-up of excess heat that can cause brake failure. Its advanced design guarantees speedy and effortless cooling, negating the risk of overheating and ensuring quick stops always.

Features:

Premium Material: Our brake disc is constructed from high-quality materials, such as cast iron or carbon composite, renowned for their exceptional heat dissipation and wear resistance. This ensures that our brake disc delivers optimal performance and longevity, even under challenging driving conditions.

Precision Machining: Each brake disc undergoes precise machining to strict tolerances, ensuring a smooth and flat surface. This precision machining minimizes vibration, noise, and brake pedal pulsation, resulting in a consistent and comfortable braking experience.

Corrosion Resistance: Our brake disc is treated with a corrosion-resistant coating or process that shields it from environmental components and prolongs its lifespan. This guarantees the brake disc's long-lasting functionality and an appealing appearance.

Perfect Fit and Compatibility: Our brake disc is designed to match or exceed OEM specifications, ensuring a perfect fit and compatibility with your vehicle's braking system. It is available in various sizes and configurations to suit different vehicle makes and models.

Technical Parameters:

Product Name:	Automobile Spare Parts
Type:	Brake Disc Chassis Parts
Material:	Steel
Size:	Standard
Warranty:	12 Months
Country of Origin:	China
